

SOR Student Travel Grant and Rheology Research Symposium Application

Student Name:

Advisor Name:

Application Instructions

This application is for the SOR student travel grant and participation in the Rheology Research Symposium (RRS), which will occur the weekend before the SOR meeting in Santa Fe from Saturday morning through Sunday evening. Full participation in the RRS and attendance for the entire SOR meeting is required to receive the student-member travel grant.

Answer the questions on page 2 and fill out all other fields on Page 1 and 2.

Your answers will be evaluated using a rubric developed to evaluate the quality of your responses, your desire to learn and grow during the meeting, and your commitment to the Society of Rheology.

The application review process will be blinded. Please do not include information that will identify yourself, your university, or your research group in your responses. If necessary, personally identifying information will be redacted from your answers.

By checking this box I confirm that if I am awarded a travel grant and accept the award that I will attend the RRS and SOR meeting in full. The travel grant will cover lodging from Friday check-in through Thursday check-out. It is the responsibility of my advisor to cover all additional travel and meeting expenses.
